W. J. GUNN, Real Estate Agent, 410 Montgomery St.

BETWEEN CALIFORNIA AND SAC-
RAMENTO STREETS.

San Francisco, California.

Twenty years of successful experience as a Real Estate Agent enable me to state that I have done well for investors, when they followed my advice.

The attention of those having money to invest is called to the fact that there are great opportunities to make splendid investments in San Francisco Real Estate at the present time. The condition of realty at present favors the buyer. This is the time to invest when properties can be purchased at low prices.

San Francisco has a great future; all unite on this point. It is to be the great city of the Pacific Coast and the man who buys now will make himself rich.

I offer my experience and knowledge of values of property to those who desire to purchase business properties for income, or improved lots or blocks for investment. Information cheerfully given in reference to all matters pertaining to Real Estate in San Francisco. I will be happy to correspond in relation thereto.

Sometimes estates are divided, and the property has to be sold; in this way fine purchases can be made. The undersigned possesses information of all such sales and can advise buyers as to values.

Money invested on Real Estate security for those who desire to loan their money.

Full charge taken of properties and taxes paid for absent owners.

Repeated Trials we
have at last found the article
we wanted. It came by the

at the same prices as sold in
the United States. Come and
see for yourself and be con-
vinced that the above state-
ment is true in every respect.

Housekeepers will appreciate
our effort after they have seen
and tried our new

Scotch Granite Ware
and found it will not chip and
then rust through, after it has

Aluminum Ware
Is something that has been sold
in Honolulu some time but the
prices we are offering these
goods at is a new departure
altogether.

Another thing we have pleas-
ure in bringing before the pub-
lic, especially those who have
youngsters in the family, and
have more or less washing to
have done at home, is a Wash
Tub with an attachment on the
side, for fastening a wringing
machine to, thereby obviating
the necessity of screwing your
wrists all out of kilter, by
wringing out clothes by hand
power. These wringers we have
in three sizes.

FOR THE BURIAL

Plans for the Funeral of
Princess Kaiulani.

A Band Volunteers-Catholic Bis-
hop-First Regiment, N. G. H.
Some of the Pall Bearers.

The St. Louis College brass band has
volunteered its services for the Kaiu-
lani funeral on Sunday next. The
Bishop of Honolulu and clergy will
attend in a body. The entire First
Regiment of the National Guard of
Hawaii will be in the column, togeth-
er with all of the Hawaiian Societies.
There will be many kahili bearers. It
is expected that the boys and girls of
the two Kamehameha schools and the
girls of the Kamehameha seminary will
attend.

The body of the late Princess will be
in state at Aiea today from 10 a.
m. to 4 p. m. During that time there
will be in attendance a guard of honor
with details from the following: Col.
Soper, Maj. Potter, Maj. Iaukea, Capt.
Pratt, Capt. Wilder, all of the Presi-
dent's staff and Capt. Wilcox and
Lieut. Rose of the native company of
militiamen.

Among the pall bearers already se-
lected are: Col. Sam'l. Parker, Col.
Geo. W. Macfarlane, F. A. Schaefer, F.
M. Swamy, Jas. H. Boyd, J. H. Wode-
house, Jas. W. Robertson, and one
member of the Cabinet.

The body of Kaiulani will be brought
to Kawaiahae church Friday evening.
The following ladies have been ap-
pointed a committee to receive flowers
at Aiea: Mrs. George C. Beckley,
Mrs. Capt. Berger, Mrs. Irene H. Brown,
Mrs. E. D. Tenney, Mrs. Geo. Smithies,
Mrs. Allen Herbert, Mrs. Noonan, Mrs.
Hastings.

At a meeting of the directors of the
Maternity Home, of which institution
Kaiulani was vice president, it was de-
cided to send a large flower piece. Sim-
ilar action will be taken by other char-
itable organizations of which the dead
Princess was a member.

The band will play sacred music at
Aiea this afternoon from 2 to 4.

FOR BOYS AND GIRLS.

A Correspondent Who Looks to
the Future.

EDITOR P. C. A.—I see by your
paper of March 4th that a School His-
tory of Hawaii is to be published. No
doubt it will be interesting, but what
benefit are the boys and girls of the
Hawaiian Islands to receive from it?
All that is necessary to say about the
school system in Hawaii is, that it is
second to none in the United States,
not excepting Massachusetts or Cali-
fornia.

Why don't some of the wealthy, en-
terprising men of the Islands start
some factories, or something that
would give employment to the boys and
girls after they leave school? It cannot
be expected that all the boys will be-
come lawyers, doctors, bookkeepers,
clerks or editors, nor can the girls all
become school teachers, governesses,
stenographers, no, nor simple domes-
tics, as the Japs and Chinese hold the
monopoly in that line.

Now, what have you for them to do?
Simply nothing. Not very many years
ago the same state of affairs existed
in San Francisco, but the public press
took up the matter and kept it up un-
til all the Chinese were discharged
from cigar and all other factories and
canning establishments. The result
was that to-day there are thousands
of boys and girls, that used to run
the streets and collect around the cor-
ners, making an honorable, honest liv-
ing. There are many boys and girls
who cannot afford to remain at school
and finish their education. These
work during the days and attend school
at night.

As I am not competent to outline
what could be done in the matter, I
will leave it to the public press, hoping
one and all the papers will take it
up and keep it up until they accom-
plish their worthy object.

A LOVER OF HAPPY HOMES.

Ministerial Union.

The Ministerial Union of Honolulu
is the name of the body recently or-
ganized among the pastors, missionaries
and superintendents of institutional
Christian effort of this city and vicin-
ity. Its object is to give a larger op-
portunity for systematic conference
and Christian work. Therefore the
ministry in Honolulu shall be enabled
to have an organization like that en-
joyed by the ministerial fraternity in
all the larger cities and towns of
America.

At the last meeting, which took place
in Central Union Church parlors, the
work of organization was completed.
Rev. C. M. Hyde was elected president
and Rev. Silas P. Perry secretary and
treasurer. After a very satisfactory
business session Rev. C. H. Yatman
consented to speak a few words. He
gave in substance a few pages from
his sociological work, which was
heartily appreciated.
